- All places for children who are not yet eligible for a government funding scheme are Full Year. We are open every week of the year, except in-between Christmas and New Year, and on bank holidays.
- The monthly figure is calculated by taking the weekly fee and multiplying it by 52 and dividing it by 12. The weekly fee is provided for information only.
- There are no deductions for holidays, absences due to sickness, and nursery closures.
- Extra hours or days can be added ad hoc if space is available and parents will be charged at the hourly rate of **£9.50**. Ad hoc lunch is charged at £3 per day and ad hoc tea is charged at £2.50 per day. Extra payments will be added to the next invoice.
- The fees for full year places include formula milk, cow's milk, nappies, wipes and creams, drinks, breakfast, morning snack, lunch and afternoon tea.
- For children attending term time only, **lunch** is charged at £3 per day, **tea** is charged at £2.50 per day and a minimal monthly surcharge of **£2 per weekly session** attended is also added to cover the use of **Nappies, Wipes and Creams**, according to the number of sessions (AM or PM) that they are booked in for on a weekly basis. For example, if your child attends 3 sessions per week, your nappy surcharge will be £6 monthly. If your child attends 5 sessions per week, your nappy surcharge will be £10 monthly. When your child is fully toilet trained and no longer uses nappies, this surcharge will be removed. **THIS MUST BE COMMUNICATED VIA EMAIL TO admin@wellingtonsforangleyhall.co.uk IN ORDER FOR THE SURCHARGE TO BE REMOVED FROM YOUR MONTHLY INVOICE.**
- For further information regarding the calculation of fees, attendance and invoicing parents should refer to the separate sheet 'Fees, Attendance and Invoicing Information'. This separate sheet forms part of the agreement between parents and the nursery. To make a request to opt-out of any additional charges please email admin@wellingtonsforangleyhall.co.uk to discuss your situation.
- Session times are:

Morning: 7.30am - 12.45pm

Afternoon: 12.45pm - 6pm

GOVERNMENT FUNDING OPTIONS

- Children become eligible for the **3 & 4 year old 'Universal' 15 hours per week Free Early Years Entitlement** from the term after their 3rd birthday and can only be applied to their invoice after that time.

Birthdays between September 1st – December 31st – Funding begins in January

Birthdays between January 1st – March 31st – Funding begins in April

Birthdays between 1st April – August 31st – Funding begins in September

- The government also offers **Free Early Years 'Extended' Entitlement of 30 hours per week for 3 & 4 year olds, for 2 & 3 year olds and to children aged 9 months – 2 years**, which we offer to eligible working parents on a first come first served basis, subject to availability. Parents claiming the free hours must apply directly to HMRC to determine eligibility and will be issued with a funding code that must be passed on to us so that we can verify and be paid the funding for your child. This code must then be renewed every 3 months in order for it to remain valid. If a child joins the nursery after the beginning of the term, they may not be able to claim the Extended Early Years Entitlement until the beginning of the next term. This funding can only be claimed the term after a child turns '9 months' and can only be applied to their invoice after that time.
- Children whose parents do not meet the 'Working Parents' criteria can sometimes be eligible for **2 year old** funding (15 hours per week) instead and must determine eligibility from Slough Council (Bright Futures). You will be issued with a funding code that must be passed on to us so that we will be paid your funding. 2 year old Free Early Years Entitlement can only be claimed the term after a child's 2nd birthday.

Birthdays between September 1st – December 31st – Funding begins in January

Birthdays between January 1st – March 31st – Funding begins in April

Birthdays between 1st April – August 31st – Funding begins in September

- The Free Early Years Entitlement is for 38 weeks of the year only. These 38 weeks are detailed in our Term Dates document.
- The Free Early Years Universal and Extended Entitlement offers a child 15 or 30 free hours of childcare per week during the term times only.
- Parents wishing to claim the full 15 hours Free Entitlement must book their child into the nursery for at least three sessions per week.

For information on your eligibility, how to make an application for funding and reconfirmation of your code please visit the <https://www.childcarechoices.gov.uk> website. Applications must be made by the end of the month before the term in which you wish your funding to start;

for September term, your code must be valid on 31st August,

for January term, your code must be valid on 31st December,

for April term, your code must be valid on 31st March.
